

nVent CADDY Cat 425 Adjustable Cable Supports

nVent CADDY Cat 425 Adjustable Cable Supports provide an ideal solution for retrofit applications in existing facilities where space is limited and cable tray would be very difficult to install. The system supports a large quantity of cable, and can be mounted to overhead building structure or wall-mounted for low-profile installations. The fabric is strong yet flexible, and is suitable for pulling cable.

- Provides optimal support for high-performance data cable, up to and including Cat 5e, Cat 6, Cat 6A, Cat 7 and fibre optic
- Multiple sizes and designs available to attach to a variety of structures
