

nVent CADDY Pyramid Rooftop Systems

nVent CADDY Pyramid rooftop supports are a surface mounted solution for supporting electrical and mechanical applications on a variety of roof surfaces. They offer superior load capacity and dramatically reduce installation time by replacing slow, heavy and labor-intensive methods for support of pipe, conduit, duct, cable tray and equipment. Unlike wood blocks, nVent CADDY Pyramid supports are specifically designed for rooftop applications, incorporating unique materials and finishes that protect roof membranes and provide superior corrosion protection.

nVent CADDY Pyramid ST Strut-Based Supports

A strut-based support utilizing an engineered thermoplastic base with a UV stabilizer. Offers excellent load distribution with high load ratings.

nVent CADDY Pyramid RL Roller-Based Supports

A polymeric roller-based support that helps ensure long-lasting performance and smooth roller actions. Provides superior durability for rooftop environments.

nVent CADDY Pyramid H-Frame

A fast and economical solution that keeps installation costs low and allows flexibility in fabricating the H-frame on site.

nVent CADDY Pyramid Equipment Supports

A fast, flexible and innovative system for supporting heavy-duty mechanical services on rooftop surfaces.

nVent CADDY Pyramid Step Over and Walkways

Complete portfolio of walkways, ladders, towers, bridges, and platforms for constructing a rooftop pathway.

nVent CADDY Pyramid 50 Foam-Based Support

The original nVent CADDY Pyramid design provides lightweight support with roof-friendly materials.

nVent CADDY Pyramid EZ Rubber-Based Supports

EPDM rubber-based and height-adjustable. Requires no tools or fittings, making installations easier than ever.

nVent CADDY Pyramid Universal Support

Provides a fixed-height mounting platform 4" (102 mm) off the roof surface with 5.5", 10" or 16" (140 mm, 254 mm, or 406 mm) lengths with captive stainless steel nuts to accommodate custom applications.

nVent CADDY Pyramid Tool-Free Supports

Provides a fixed-height mounting platform 4" (102 mm) off the roof surface with 5.5", 10" or 16" (140 mm, 254 mm, or 406 mm) lengths with included push down tool-free fasteners.

nVent CADDY Pyramid 25 Pipe and Conduit Support, Plastic

Lightweight rooftop support requiring no tools or fittings making installations quick and easy.

WARNING

nVent products shall be installed and used only as indicated in nVent's product instruction sheets and training materials. Instruction sheets are available at www.erico.com and from your nVent customer service representative. Improper installation, misuse, misapplication or other failure to completely follow nVent's instructions and warnings may cause product malfunction, property damage, serious bodily injury and death and/or void your warranty.
