

nVent CADDY Pyramid Step Over and Walkways

The nVent CADDY Pyramid Step Over and Walkway system is designed to provide service engineers and other personnel with safe and comfortable access over rooftop obstacles such as pipe, duct, cable tray, etc. The system is modular, and can be easily assembled to meet various application needs using a selection of ladders, support towers, bridge, and platform units. The supporting units are height-adjustable, making it easy for elevation changes on the roof. Superior load distribution and a low abrasion foam interface combine to ensure that the roof membrane is protected despite varying roof surfaces.

- Aluminum construction designed to withstand harsh environments
- Walking surfaces with serrated tread provides maximum slip resistance and drainage
- Modular design allows for easily configurable heights and lengths to address varying applications
- Stairs, platform and ladders are easily assembled yielding labor-saving, quick installations and level adjustments
- Interchangeable standard components for flexibility while providing safe access over piping, duct, equipment or other utilities on a roof surface
- Meets the harmonized standard NEN-EN-ISO 14122-3

nVent CADDY Pyramid Step Over Ladder, 45°

Ladders at a 45° angle providing access to walkways ranging in height from 600 to 1400 mm.

nVent CADDY Pyramid Step Over Ladder, 90°

Ladders at a 90° angle providing access to walkways ranging in height from 600 to 1400 mm.

nVent CADDY Pyramid Step Over Support Tower

Supports for walkway systems ranging in height from 600 to 1400 mm.

nVent CADDY Pyramid Step Over Bridge

Bridge span with handrails connects easily in series and to nVent CADDY Pyramid Step Over Ladders to provide an effective walkway.

nVent CADDY Pyramid Step Over Bridge Turn Kit

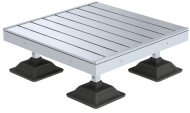

Provides supports, pathway and handrails to make a 90° turn at heights ranging from 600 to 1400 mm.

nVent CADDY Pyramid Step Over End Guardrail

Ideal for blocking off the end of a raised walkway with handrails.

nVent CADDY Pyramid Step Over Platform

Provides four height adjustable legs and the ability to interlock sections for customizability.

WARNING

nVent products shall be installed and used only as indicated in nVent's product instruction sheets and training materials. Instruction sheets are available at www.erico.com and from your nVent customer service representative. Improper installation, misuse, misapplication or other failure to completely follow nVent's instructions and warnings may cause product malfunction, property damage, serious bodily injury and death and/or void your warranty.
