

PULSA 800E

PRODUCT DESCRIPTION

- Cordless gas nailer for mechanical & electrical fixings

PRODUCT PROMISE

Fastest, most efficient system for fixing M&E fastening systems. Improve your productivity - work faster than ever before

FEATURES AND BENEFITS

- Low actuation force - work faster, easier and less fatigued especially overhead
- Slim and streamlined - best line of sight and access to tight locations
- Tool free depth of drive - perfect finishing with all accessories
- LED display showing remaining fuel and battery power
- Start & Go@allowing 3000 shots per charge
- Improved dust protection - reduces the need for servicing and health and safety risks
- Reduced Hand Arm Vibration (H.A.V) - low expose levels and minimal health and safety risk

APPROVALS

APPLICATIONS

- Fixing of pipes, cables & wiring accessories
- Direct fixing of electrical trunking and junction boxes
- Floors, walls & overhead fixings into: concrete, pre-stressed concrete, masonry and steel
