Prolab® Wiring/Connector Block Labels

The Silver Fox Prolab® non-adhesive card wiring/connector blocks labels are made from good quality card and are suitable for a range of wiring and connector blocks that require a card label.

Supplied on an A4 sheet and printed via an ordinary office printer using the Labacus® Innovator Software, these card labels are specifically designed for labelling Krone blocks.

Consider font/background colour options included in the Advanced and Professional levels of Labacus® Innovator Software in conjunction with a colour laser or inkjet printer.
