

Cable Stripper No. S 4 - 28

WEICON cable strippers allow all common round cables to be stripped accurately, quickly and safely. The cable stripper product family includes various types which have different additional functions, thus meeting the individual needs of the users.

WEICON has been developing and producing various types of cable stripper since 1967. These premium quality tools are TÜV-tested, carry the GS seal for verified safety, and were developed taking occupational safety and user-friendliness aspects into account. The WEICON range includes cable strippers, cable dismantling tools, wire strippers and various multi-function tools for professional users.
