

Round Cable Stripper No. 13

The WEICON cable dismantling tools allow all common round cables to be stripped quickly and safely. The product family of cable dismantling tools includes various types, which have proved to be easy to use and to produce accurate results.

WEICON has been developing and producing various types of cable stripper since 1967. These premium quality tools are TÜV-tested, carry the GS seal for verified safety, and were developed taking occupational safety and user-friendliness aspects into account. The WEICON range includes cable strippers, cable dismantling tools, wire strippers and various multi-function tools for professional users.
