

## Matrix holder for the 1300 system

Matrix holder for non-integrated matrix. Punch holder not required for the 1300 system.

Stranded Al mm <sup>2</sup>	Solid Al mm <sup>2</sup>	Name	Net weight (kg)
16-150	16-185	V1320	0,367

## MultiCrimp punch and matrix for indent crimping

For Al-terminals 50-240 mm<sup>2</sup>, indent crimp, both round- and sector shaped conductors. Without need for pre-rounding of sector shaped conductors. Used without matrix holder.

96

Stranded Al mm <sup>2</sup>	Matrix	Punch	Number of crimps	Net weight (kg)
50-95	13P5095M	13P5095D	1	0,394
120-150	13P120150M	13P120150D	1	0,394
185-240	13P185240M	13P185240D	2	0,394
