

# Matrix holder for the 1300 system

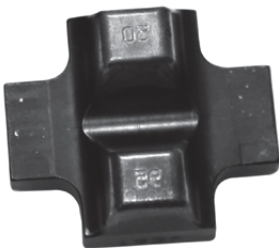

Matrix holder for non-integrated matrix. Punch holder not required for the 1300 system.

Stranded Al mm²	Solid Al mm²	Name	Net weight (kg)
16-150	16-185	V1320	0,367

# MultiCrimp punch and matrix for indent crimping

For Al-terminals 50-240 mm², indent crimp, both round- and sector shaped conductors. Without need for pre-rounding of sector shaped conductors. Used without matrix holder.

90
