

BR4 Light Duty Skid Plate

The BR4 is a light duty skid plate for use in conjunction with the BR1-BR5 range (illustrated with the BR1, the BR2 and LP1 link pin). This is an economical way to form a full bend when utilising other corner cable rollers, the BR4 has a 90 degree bend on each of the end edges forming a safe edge to prevent damage to the cable. All of the bend roller range have the same link points to facilitate various bend/roller configurations

- Light duty skid plate manufactured from 3mm plate
- Zinc plated/zintec finish
- Universal link pin mount positions
- Size: 87cm long x 15cm wide x 29cm high
- Weight: 6.5Kg
