

HDJ3, 6.5 & 10 Hydraulic Drum Jacks

Our range of hydraulic drum jacks provide a suitable and robust alternative to the mechanical screw jacks and/or cable drum trailers, particularly suited to use in a cable yard. Each set comes complete with a suitable spindle and locking collars

- Steel very heavy construction
- Commercial bottle jack and handle for lifting
- Auto mechanical lock fitted to prevent damage to hydraulics
- Wheels fitted for ease of movement
- Galvanised finish

Model	Capacity	Base Size	Drum Diameter	Spindle	Weight Per Set
