Scotch
Electrical Tape

The Electrical Tape
For reliable coverage and protection for damaged cable jacket sections.

Scotch® Cable Jacket Repair Tape 2234

Heavy-Duty Grade

A cost effective and efficient means of covering and protecting damaged sections of cable jacket, Scotch® Cable Jacket Repair Tape 2234 helps customers extend the life of their cables and helps them reduce costly downtime.

The outer layer of the tape is composed of vulcanized CSM rubber to provide outstanding chemical and environmental resistance. The inner layer is composed of flame-retardant mastic and acts as a moisture barrier which provides excellent adhesion to a variety of jacket materials.

Product Highlights:

· Insulates and protects damaged cable jackets

· Flame retardant

· Good adhesion to cable jacket materials

· Excellent abrasion resistance

· Ultra tough vulcanized CSM rubber

· Provide excellent adhesion to a variety of cable jacket materials

· Resistant to heat, oil, ozone, UV and other environmental effects

· Maintains flexibility to -30°C

Repairing minor scratches on cable jackets

Temporary repair of minor cuts to cable jackets

Repair for substantial cable jacket repairs
